

## **OIL SUPER 30 ACHIEVES SUCCESS IN 2017**

Under OIL Super 30, 99 students have cracked the JEE Advanced this year. OIL Super 30, which is one of the flagship CSR projects of Oil India Limited (OIL) under Education sector, witnessed 99 out of 147 students in the 2016 batch clear the most prestigious IIT-Advanced entrance examination in the country.

The project has once again attained great success in its overall objective of transforming the lives of underprivileged students, from the marginalised sections of the society. The OIL Super 30 project is wholly supported by Oil India Limited, India's second largest national exploration and production company and is implemented by Centre for Social Responsibility and Leadership (CSRL), New Delhi, across five centres of Guwahati, Jorhat and Dibrugarh in Assam, Jodhpur in Rajasthan and Itanagar in Arunachal Pradesh.

Today, the project has become a household name for the families, students and educationists, in the North Eastern region, as one of the most successful CSR initiatives of OIL India Limited. The centre-wise results of the OIL Super 30 Project this year who have cleared JEE Advanced are: Jodhpur 29, Jorhat 22, Guwahati 17, Dibrugarh 17 & Itanagar 14.

Oil India Limited had instituted the CSR project, OIL Super 30, in 2010, with its first centre at Guwahati, followed by Dibrugarh and Jorhat. Under the project, each year, 150 students (with 30 students in each centre) of economically disadvantaged families are provided 11 months free residential coaching for IIT-JEE and other engineering entrance examinations.

Through the project, students have attained admissions in various prestigious engineering institutes like IIT, ISRO, NIT, State engineering colleges etc., and in leading medical institutes, since 2011. Going by the success and mass popularity of the project, OIL has opened its sixth centre at Nagaon, Assam, in 2017.

OIL has supported 510 students through the project till last year out of which 476 students have taken admission in various engineering colleges giving 93% success to the project. 97 students have taken admission in various IITs and ISRO & Top NITs, 126 students are presently studying in NITs & other premier institutes & 253 students are studying in various State engineering colleges & universities.
