

ADDENDUM / CORRIGENDUM TO EOI NOTICE NO. OIL/CIVIL/SOR/EOI/001/2017

(1) EOI NOTICE NO.OIL/CIVIL/SOR/EOI/001/2017 was published by OIL inviting EOI for “Engagement of Consultants for Preparation of SOR”. Clause 2.3 of the EOI document published in OIL’s website stated one of the requirements as:

Quote:

----- OIL envisages that the following minimum key persons shall be deployed in the OIL’s Field Head Quarter(FHQ) at Duliajan, Assam for smooth and efficient preparation of the new OIL-SOR as per the brief Terms of References(ToR) given in para 3.0 below.

Unquote.

Queries have been received from parties as to whether entire works will have to be done in OIL’s FHQ by setting up an office at Duliajan.

In this connection, OIL would like to clarify that the Consultant will have to set up an office in Duliajan and it will be better if the major works of the preparation of SOR are done in this office. During preparation of the SOR, OIL will have to continuously liaise / communicate with the members of the Consultant firm in order to coordinate various aspects, which may need immediate clarifications/discussions for smooth progress. Moreover, exhaustive market survey will be required to be carried out, for which, it will be convenient for the consultants to operate from Duliajan as the OIL’s main operational areas are in and around Duliajan.

OIL will have no objection if some parts of the SOR preparation works are done in other offices of the Consultant. However, the minimum key persons of the Consultant firm should be available in their Duliajan-office, as and when required by OIL, at any point of time throughout the entire period of preparation of SOR.

(2) In the 2nd page of the EOI document (advertisement published in Press) published in the OIL’s website, Email ID was mentioned as bimalutta@oilindia.in. But, the actual Email ID is bimaldutta@oilindia.in.
