KG BASIN PROJECT
KAKINADA

AMENDMENT No. 1 Dated 22.01.2020

To TENDER No. CEG3404P20

1.0 This amendment is issued to amend /correct the following clauses of bidding document:

SRL. NO.	CLAUSE NO.	ORIGINAL CLAUSE	AMENDED CLAUSE
1	11.3, GCC, Section I, Part-3 in Page 55	11.3 Should 'force majeure' condition as stated above occurs and should the same be notified within seventy-two (72) hours after its occurrence the 'force majeure' rate shall apply for the first fifteen (15) days. Parties will have the right to terminate the Contract if such 'force majeure' conditions continue beyond successive fifteen (15) days with prior written notice. Should either party decide not to terminate the Contract even under such condition, no payment would apply after expiry of fifteen (15) days force majeure period unless otherwise agreed to.	11.3 Should 'force majeure' condition as stated above occurs and should the same be notified within seventy-two (72) hours after its occurrence, time for performance of the relative obligation suspended by 'force majeure' shall then extended by the period for which such cause lasts. If performance under the Contract are suspended by 'force majeure' conditions lasting for more than 2 months, either party shall have the right to terminate the Contract by giving 15 days' notice. During force majeure period, no payment shall be made under the Contract by Company.
2	31.4.1, GCC, Section I, Part-3 in Page 68		Add new sub clause 'g' (g) Port clearance documents when vessel/ equipment is mobilised from outside India
3	1., SOW/TOR, Section II, Part-3 in Page 74 (typographical corrections in parts of clause)	For completion of the job satisfactorily within the specified time period, minimum one seismic vessel (3D) with minimum 06 number of streamers (Limited to 8 streamers) and streamer length as specified in clause A.10 of Appendix-A of Section-III shall be required..... The minimum required basic processing to ascertain onboard QC shall be carried out on-board the vessel for the acquired seismic data in the survey area mentioned in Section-III . Online QC System for this purpose shall be made available and operational on-board.	<i>(Note: Clause amended to replace Section-III with Section II wherever appearing)</i> For completion of the job satisfactorily within the specified time period, minimum one seismic vessel (3D) with minimum 06 number of streamers (Limited to 8 streamers) and streamer length as specified in clause A.10 of Appendix-A of Section-II shall be required..... The minimum required basic processing to ascertain onboard QC shall be carried out on-board the vessel for the acquired seismic data in the survey area mentioned in

		<p>The acquired data may be transferred to the processing centre periodically during crew changes /seismic data acquisition phase itself to ensure the early preparation of data for processing and timely completion of the work under this contract.</p> <p>After acquisition of the data in each block, Contractor shall deliver raw data, and QC data as per QC processing sequence at A.16.9 and Navigation merged data in SEGY format as mentioned in Appendix-H of Section-III.</p> <p>Contractor will also arrange for packing, insurance, customs and other formalities and safe transportation of data tape cartridges to handover the data (in duplicate) along with other technical information as described in Clause 7 of Section-III at OIL's premises, Kakinada, Andhra Pradesh or/and at any other designated premises of OIL.</p>	<p>Section-II. Online QC System for this purpose shall be made available and operational on-board.</p> <p>The acquired data may be transferred to the processing centre periodically during crew changes /seismic data acquisition phase itself to ensure the early preparation of data for processing and timely completion of the work under this contract.</p> <p>After acquisition of the data in each block, Contractor shall deliver raw data, and QC data as per QC processing sequence at A.16.9 and Navigation merged data in SEGY format as mentioned in Appendix-H of Section-II.</p> <p>Contractor will also arrange for packing, insurance, customs and other formalities and safe transportation of data tape cartridges to handover the data (in duplicate) along with other technical information as described in Clause 7 of Section-II at OIL's premises, Kakinada, Andhra Pradesh or/and at any other designated premises of OIL.</p>
4	<p>2.2, SOW/TOR, Section II, Part-3 in Page 75</p> <p>(typographical correction in clause)</p>	<p>2.2 Volume Variation</p> <p>OIL at its discretion may increase (or decrease) up to 20% of the volume of work at same rates, terms and conditions. In such case, the Contract period shall be adjusted on increase or decrease of volume. LD/PBG will be applicable proportionate to additional volume of work, if any as per clause no 17 of Section-II.</p>	<p><i>(Note: Amendment is to replace Section-II with Section-I)</i></p> <p>2.2 Volume Variation</p> <p>OIL at its discretion may increase (or decrease) up to 20% of the volume of work at same rates, terms and conditions. In such case, the Contract period shall be adjusted on increase or decrease of volume. LD/PBG will be applicable proportionate to additional volume of work, if any as per clause no 17 of Section-I.</p>

5	<p>4, SOW/TOR, Section-II, Part-3 in page 77</p> <p>(typographical correction in part of clause)</p>	<ul style="list-style-type: none"> ▪ Standby period beyond the permissible limits as indicated in clause 16 of section II, if requested by OIL. 	<ul style="list-style-type: none"> ▪ Standby period beyond the permissible limits as indicated in clause 13 of section II, if requested by OIL.
6	<p>10.9, SOW/TOR, Section-II, Part-3 in page 80</p> <p>(typographical correction of clause)</p>	<p>10.9 Contractor's rates for standby charges shall be as per day rate quoted by the bidder (Ref. Clause 16 below, and Price schedule)</p>	<p>10.9 Contractor's rates for standby charges shall be as per day rate quoted by the bidder (Ref. Clause 13 below, and Price schedule)</p>
7	<p>12, SOW/TOR, Section-II, Part-3 in page 84</p>	<p>Subclause under Heading: <i>Personnel and Equipment</i></p> <ul style="list-style-type: none"> • The Bidder shall provide a list of the hardware and software, along with the vintages/ version that they shall deploy for the entire processing job. Also, the place/processing center where the entire processing job will be carried out shall be indicated in the Technical Bid. The bidder shall deploy industry standard processing software(s) along with suitable hardware prior to start of above said jobs. 	<p>Subclause under Heading: <i>Personnel and Equipment</i></p> <ul style="list-style-type: none"> • The Bidder shall provide a list of the hardware and software, along with the vintages/ version that they shall deploy for the entire processing job. Also, the place/processing center in India where the entire processing job will be carried out shall be indicated in the Technical Bid. The bidder shall deploy industry standard processing software(s) along with suitable hardware prior to start of above said jobs.
8	<p>Note below clause 13.1, SOW/TOR, Section-II, Part-3 in page 85</p> <p>(typographical correction in part of clause)</p>	<p>Note: THE STANDBY CONDITION AS INDICATED ABOVE SHALL BE SUBJECT TO THE FOLLOWING:</p> <p>In case of stoppage of work as per clause no. 16.1 (a) to (e), OIL shall pay stand by charges as per price schedule for the first four (04) days. If such standby continues, Contractor shall be paid at 2/3rd of Standby rate for a period of next four (04) days, and if such Standby lasts for a further period, then for a further period of four (04) days Contractor shall be paid at 1/3rd of the Standby rate after which zero</p>	<p>Note: THE STANDBY CONDITION AS INDICATED ABOVE SHALL BE SUBJECT TO THE FOLLOWING:</p> <p>In case of stoppage of work as per clause no. 13.1 (a) to (e), OIL shall pay stand by charges as per price schedule for the first four (04) days.
