Tender No. SDG1895P17/09

This Addendum No.02 dated 18.02.2017 to Tender No. SDG1895P17/09
is issued to amend the following technical specification clause as under:

<i>Clause Ref</i>	<i>Amended as</i>
<i>Annexure-I, Clause 1.7 & 1.8</i>	Tender clauses 1.7 & 1.8 (Annexure-I) refer to technical criteria to be maintained while operating the Garage Winch to spool cable from a shipping reel to the Logging Unit's drum. In cases where cable needs to be spooled back from the logging unit's drum to a shipping reel, the average tension maintained on the cable will be much lower and just enough to ensure a proper spooling job on the shipping reel.

All other Terms & Conditions of the Bid Document remain unaltered.
