AMENDMENT No.2 Dated 09.10.2017
To TENDER No. SJG5136P18

1.0 This amendment is issued to inform the bidders that As per OMR-2017 (Effective from 18.08.2017 through Gazette Notification), since specific approval from DGMS is not required for any electrical equipment for use in hazardous area; hence requirement of DGMS approval for the equipments as mentioned in the tender will not be compulsory. However, as per OMR-2017 the bidder has to submit relevant Indian or International standards for the equipments and the equipments should be duly Tested and Certified by Accredited Indian or International Test Houses or Laboratories for use in Hazardous area. These certificates shall be submitted along with the bid.

Viewing above, the payment terms mentioned in the tender linked with DGMS approval will not be applicable.

2.0 All other terms & Conditions remain unchanged.
