- (b) A Cashier's cheque or Demand Draft drawn on 'Oil India Limited' valid for 90 days from the date of issue and payable at Duliajan, Assam.

10.4 Any bid not secured in accordance with **Sub-Clause No.10.3** shall be rejected by the Company as non-responsive.

10.5 Unsuccessful Bidder's bid Security will be discharged and/or returned within 30 days of expiry of the period of bid validity.

10.6 Successful Bidder's bid Security will be discharged upon the Bidder's signing of the contract and furnishing the performance security.

10.7 The Bid Security may be forfeited:

- (a) If any Bidder withdraws their Bid during the period of Bid validity(including any subsequent extension) specified by the Bidder on the Bid Form, or

- (b) If a successful Bidder fails:

- i) to sign the contract within reasonable time and within the period of Bid validity, and /or
- ii) to furnish Performance Security.

10.7.1 In case any bidder withdraws their bid during the period of bid validity, Bid Security will be forfeited and the party shall be debarred for a period of 2(two) years.

10.8 The scanned copy of the original Bid Security in the form of either Bank Guarantee or LC or Cashier Cheque or Bank Draft must be uploaded by bidder along with the Technical bid in the "Technical RFX Response" of OIL's E-Tender portal.

**10.9 EXEMPTION FROM SUBMISSION OF BID SECURITY:**

Central Govt. offices and Central Public Sector undertakings are exempted from submitting Bid Security.

**11.0 PERIOD OF VALIDITY OF BIDS:**

11.1 Bids shall remain **valid for 180** days after the date of technical bid opening prescribed by the Company.

11.2 In exceptional circumstances, the Company may solicit the Bidder's consent to an extension of the period of validity. The request and the response thereto shall be made in writing (or by Fax). The Bid Security provided under **Clause No. 10.0** shall also be suitably extended. A Bidder may refuse the request without forfeiting its Bid Security. A Bidder granting the request will neither be required nor permitted to modify their bid.

**12.0 SIGNING OF BID:**

12.1 Since bids are to be submitted ONLINE with digital signature, manual signature is NOT relevant.

**C. BID SUBMISSION:**

**13.0 SUBMISSION OF BIDS**

13.1 The bid along with all annexure and copies of documents should be submitted in e-form only through OIL's E-Tender Portal. The price bids submitted in physical form against e-procurement tenders shall not be given any cognizance. However the following documents should necessarily be submitted in physical form in sealed envelope superscribed as "Tender Number and due for technical bid opening on.....". on or before 12.45 PM(IST) on the bid closing date. The outer cover should duly bear the tender number and date of closing/opening prominently underlined, along with the address of Head-Contracts, as indicated in Invitation For Bids(IFB):

1. The original bid security.
2. Power of Attorney for signing the bid document.
3. Printed catalogue and Literature if called for in the IFB.
4. Any other document required to be submitted in original as per tender requirement.

**14.0 DEADLINE FOR SUBMISSION OF BIDS:**

14.1 Bidders will not be permitted by System to make any changes in their bid after bid has been uploaded by bidder. Bidder may however request Head-Contracts for returning their bids before the due date of submission for resubmission. But no such request would be entertained once due date for submission of bids has been reached and bids are opened.

14.2 No bid can be submitted after the submission dead line is reached i.e. **11:00Hrs (IST) on the Bid Closing Date**. The system time displayed on e-procurement web page shall decide the submission dead line.

14.3 **EXTENSION OF BID SUBMISSION DATE:** Normally no request for extension of Bid Closing Date will be entertained. However, in case of any changes in the

specifications, inadequate response or for any other reasons, OIL may at its discretion, extend the Bid Closing Date and/or time.

**15.0 PROCEDURE OF BID SUBMISSION:** For submission of Bids online at OIL's E-Tender Portal, detailed instructions is available in "**HELP DOCUMENTATION**" available in OIL's E-Tender Portal. Guidelines for bid submission are also provided in the "Forwarding Letter".

15.1 The offer should contain complete details of the services offered together with other relevant literature/ catalogues of the services offered. **The Bid Security(scanned copy)mentioned in Clause No.10.0 should be uploaded with the Technical Bid. The price information should not be put along with Technical Bids.**

15.2 All the conditions of the contract to be made with the successful bidder are given in various Sections of this document. Bidders are requested to state their compliance/ non-compliance to each clause as per **PROFORMA-D**. This should be uploaded along with the Technical bid.

15.3 Timely online submission of the bids is the responsibility of the Bidder. Company shall not be responsible for any postal delay/ transit loss for physical submission of the documents, like bid security, tender fee etc., specifically asked for in the tender.

15.4 Bids received through the e-procurement portal shall only be accepted. Bids received in any other form shall not be accepted.

**16.0 INDIAN AGENTS:**

16.1 Foreign Bidders are requested to clearly indicate in their quotation whether they have an agent in India. If so, the bidders should furnish the name and address of their agents and state clearly whether these agents are authorized to receive any commission. The rate of the commission included in the quoted rates of bidder should be indicated which would be payable to Agent in non-convertible Indian currency according to Import Trade Regulation of India. Unless otherwise specified, it will be assumed that agency commission is not involved in the particular bid.

16.2 Either the Indian agent on behalf of Principal/OEM or the Principal/OEM itself can bid, but both cannot bid simultaneously in the same tender. Further, if an agent submits bid on behalf of the Principal/OEM, the same agent shall not submit a bid on behalf of another Principal/OEM in the same tender.

**17.0 LATE BIDS:**

17.1 Bidders are advised in their own interest to ensure that bids are uploaded in system well before the closing date and time of the bid.

**18.0 MODIFICATION AND WITHDRAWAL OF BIDS:**

- 18.1 The Bidder after submission of bid may withdraw its bid by written notice prior to bid closing.
- 18.2 No bid can be withdrawn subsequent to the deadline for submission of bids.
- 18.3 No bid may be withdrawn in the interval between the deadline for submission of bids and the expiry of the period of bid validity specified by the Bidder on the Bid Form. Withdrawal of a bid during this interval shall result in the Bidder's forfeiture of its Bid Security.

**19.0 TECHNICAL BID OPENING AND EVALUATION**

- 19.1 Company will **open the Technical Bids**, including submission made pursuant to **Clause 18.0**, in the presence of Bidder's representatives who choose to attend **on the Technical Bid opening Date at 14:00 Hrs., IST at the office of Head-Contracts, Oil India Limited, Duliajan-786602, Assam.** However, an authorization letter (as per **PROFORMA -H**) from the bidder must be produced by the Bidder's representative at the time of bid opening. Unless this Letter is presented, the representative will not be allowed to attend the bid opening. The Bidder's representatives who are allowed to attend the bid opening shall sign a register evidencing their attendance. Only one representative against each bid will be allowed to attend.
- 19.2 Bid for which an acceptable notice of withdrawal has been received pursuant to **Clause No. 18.0** shall not be opened. Company will examine bids to determine whether they are complete, whether requisite **Bid Securities** have been furnished, whether documents have been properly signed and whether the bids are generally in order.
- 19.3 At bid opening, Company will announce the Bidder's names, written notifications of bid withdrawal, if any, the presence of requisite Bid Security and such other details as the Company may consider appropriate.
- 19.4 Company shall prepare, for its own records, minutes of bid opening including the information disclosed to those present in accordance with the **Sub-Clause No. 19.3**.
- 19.5 To assist in the examination, evaluation and comparison of bids the Company may at its discretion, ask the Bidder for clarifications of its bid. The request for clarification and the response shall be in writing and no change in the price or substance of the bid shall be sought, offered or permitted.
- 19.6 Prior to the detailed evaluation, Company will determine the substantial responsiveness of each bid to the requirement of the Bidding Documents. For purpose of these paragraphs, a substantially responsive bid is one, which conforms to all the terms and conditions of the Bidding Document without material

deviations or reservation. A material deviation or reservation is one which affects in any way substantial way the scope, quality, or performance of work, or which limits in any substantial way, in-consistent way with the bidding documents, the Company's right or the bidder's obligations under the contract, and the rectification of which deviation or reservation would affect unfairly the competitive position of other bidders presenting substantial responsive bids. The Company's determination of bid's responsiveness is to be based on the contents of the Bid itself without recourse to extrinsic evidence.

19.7 A Bid determined as not substantially responsive will be rejected by the Company and **will not subsequently be made responsive** by the Bidder by correction of the non-conformity.

19.8 The Company may waive minor informality or nonconformity or irregularity in a bid, which does not constitute a material deviation, provided such waiver, does not prejudice or affect the relative ranking of any Bidder.

## **20.0 OPENING OF PRICE BIDS**

20.1 Company will open the Price Bids of the technically qualified Bidders on a specific date in presence of interested qualified bidders. Technically qualified Bidders will be intimated about the price bid opening date in advance.

20.2 The Company will examine the Price quoted by Bidders to determine whether they are complete, any computational errors have been made, the documents have been properly signed, and the bids are generally in order.

20.3 Arithmetical errors will be rectified on the following basis. If there is a discrepancy between the unit price and the total price (that is obtained by multiplying the unit price and quantity) the unit price shall prevail and the total price shall be corrected accordingly. If any Bidder does not accept the correction of the errors, their bid will be rejected.

## **21.0 CONVERSION TO SINGLE CURRENCY:**

21.1 While evaluating the bids, the closing rate of exchange declared by State Bank of India on the day prior to price bid opening will be taken into account for conversion of foreign currency into Indian Rupees. Where the time lag between the opening of the price bids and final decision exceeds three months, the rate of exchange declared by State Bank of India on the date prior to the date of final decision will be adopted for conversion.

**22.0 EVALUATION AND COMPARISON OF BIDS:** The Company will evaluate and compare the bids as per **BID REJECTION CRITERIA (BRC) / BID EVALUATION CRITERIA (BEC), PART-2** of the bidding documents.

**23.0 LOADING OF FOREIGN EXCHANGE:** There would be no loading of foreign exchange for deciding the inter-se- ranking of domestic bidders.

**23.1 EXCHANGE RATE RISK:** Since Indian bidders are now permitted to quote in any currency and also receive payments in that currency, company will not be compensating for any exchange rate fluctuations in respect of the services.

**23.2 REPATRIATION OF RUPEE COST:** In respect of foreign parties rupee payments made on the basis of the accepted rupee component of their bid, would not be repatriable by them. A condition to this effect would be incorporated by the Company in the contract.

**24.0 CONTACTING THE COMPANY:**

**24.1** Except as otherwise provided in **Clause No. 19.0** above, no Bidder shall contact Company on any matter relating to its bid, from the time of the bid opening to the time the Contract is awarded except as required by Company vide **Sub-Clause No. 19.5**.

**24.2** An effort by a Bidder to influence the Company in the Company's bid evaluation, bid comparison or Contract award decisions may result in the rejection of their bid.

**D. AWARD OF CONTRACT:**

**25.0 AWARD CRITERIA:** The Company will award the Contract to the successful Bidder whose bid has been determined to be substantially responsive and has been determined as the lowest evaluated bid, provided further that the Bidder is determined to be qualified to perform the Contract satisfactorily.

**26.0 COMPANY'S RIGHT TO ACCEPT OR REJECT ANY BID:**

**26.1** Company reserves the right to accept or reject any or all bids and to annul the bidding process and reject all bids, at any time prior to award of contract, without thereby incurring any liability to the affected bidder, or bidders or any obligation to inform the affected bidder of the grounds for Company's action.

**27.0 NOTIFICATION OF AWARD:**

**27.1** Prior to the expiry of the period of bid validity or extended validity, the company will notify the successful Bidder in writing by a letter or by fax or by e-mail (to be confirmed in writing by registered / couriered letter) that its bid has been accepted.

**27.2** The notification of award will constitute the formation of the Contract.

**27.3** Upon the successful Bidder's furnishing of Performance Security pursuant to **Clause No.28.0** the company will promptly notify each un-successful Bidder and will discharge their Bid Security, pursuant to **Clause No. 10.0** herein above.

**28.0 PERFORMANCE SECURITY:**

### **Bid from Subsidiary Company:-**

#### **1.7 Eligibility criteria in case bid is submitted on the basis of experience of the parent/ subsidiary company:**

A. Offers of those bidders who themselves do not meet the experience criteria as stipulated in Clause Nos. 1.2 & 1.3 can also be considered provided the Bidder is a

subsidiary company of the parent company in which the parent company has 100% stake or parent company can also be considered on the strength of its 100% subsidiary. However, the parent/ subsidiary company of the Bidder should on its own meet the experience as stipulated in the BRC and should not rely for meeting the experience criteria on its sister subsidiary/ co-subsidiary company or through any other arrangement like Technical Collaboration agreement. In that case as the subsidiary company is dependent upon the experience of the parent company or vice-versa with a view to ensure commitment and involvement of the parent/ subsidiary company for successful execution of the contract, the participating bidder should enclose

- i) an Agreement (as per format enclosed at **Annexure-IV** in Part-4) between the parent and the subsidiary company or vice-versa or Proof of being 100 % subsidiary in the form of Certification of incorporation issued by Register of Companies and Memorandum of Association along with Article of Association
- ii) Parent/ Subsidiary Guarantee (as per format enclosed at **Annexure-IV** in Part-4) from the parent/ subsidiary company to OIL for fulfilling the obligation under the Agreement, along with the technical bid.

**1.8 Eligibility criteria in case bid is submitted on the basis of experience of sister subsidiary/ co-subsidiary company:**

Offers of those bidders who themselves do not meet the experience criteria as stipulated in Clause Nos. 1.2 & 1.3 can also be considered based on the experience criteria of their sister subsidiary/ co-subsidiary company within the ultimate parent/ holding company subject to meeting of the following conditions:

- i. Provided that the sister subsidiary/ co-subsidiary company and the bidding company are both 100% subsidiaries of an ultimate parent/holding company either directly or through intermediate 100% subsidiaries of the ultimate parent/ holding company or through any other 100% subsidiary company within the ultimate/holding parent company. Documentary evidence to this effect to be submitted by the ultimate parent/ holding company along with the technical bid.
- ii. Provided that the sister subsidiary/ co-subsidiary company on its own meets and not through any other arrangement like Technical Collaboration agreement meets the experience criteria stipulated in the BRC.
- iii. In case of contracts involving multifarious activities such as – (a) manufacturing/ supply (b) installation and commissioning (c) servicing and maintenance of any equipment, then in that case, the bidding company can draw on the experience of their multiple subsidiary sister company(ies) / co-subsidiary company(ies) specializing in each sphere of activity, i.e. (a) manufacturing/supply (b) installation and commissioning (c) servicing and maintenance. However, all the sister subsidiary company(ies)/ co-subsidiary company(ies) and the bidding company should be 100% subsidiary company(ies) of an ultimate parent/ holding company either directly or through intermediate 100% subsidiaries of the ultimate parent/ holding company or through any other 100% subsidiary company within the ultimate/ holding parent company. Documentary evidence to the effect that all the sister subsidiary company(ies) are

100% subsidiaries of the ultimate/ holding parent company should be submitted along with the technical bid.

Provided that with a view to ensure commitment and involvement of the ultimate parent/ holding company for successful execution of the contract, the participating bidder shall enclose

- i) An Agreement (as per format enclosed at **Annexure-V** in Part-4) between the parent and the subsidiary company or vice-versa or Proof of being 100 % subsidiary in the form of Certification of incorporation issued by Register of Companies and Memorandum of Association along with Article of Association
- ii) Parent/ Subsidiary Guarantee (as per format enclosed at **Annexure-IV** in Part-4) from the parent/ subsidiary company to OIL for fulfilling the obligation under the Agreement, along with the technical bid.

**1.9 MOBILIZATION TIME:** The bidders must confirm their compliance in their Technical bid to complete the mobilization of 1<sup>st</sup> 2 sets of ESP within **180 days** from the date of issue of the Letter of award (LOA).

**2.0 Equipment offered –** The necessary technical details & literatures of the offered units and accessories are to be submitted by the bidder.

NOTES:

1. OIL reserves the right to ask for any Original or other relevant document to verify the certification.

2. The bidder shall furnish duly filled up checklist as per Attachment 1 of Part 2 along with the Technical Bid. Any contradiction/deviation between checklist and submitted documents will render the offer invalid.

**B. COMMERCIAL – BID SUBMISSION**

**1.0** The tender is invited under **SINGLE STAGE-TWO BID SYSTEM**. The bidder has to submit both the “**TECHNICAL**” and “**PRICE**” bid separately through electronic form in the OIL’s e-Tender portal within the Bid Closing Date and Time stipulated in the e-Tender. The Technical Bid is to be uploaded as per the Scope of Work & Technical Specification of the tender in “Technical RFx Response” tab and Price Bid in “Notes and Attachments” tab. Bids shall be rejected outright if the prices are indicated in the technical bids. Bids not conforming to this two bid system shall be rejected outright.

The Original Bid Security should however be forwarded to office of the “Head-Contracts, Oil India Limited, Duliajan-786602, Assam” which should reach the said office on or before 12.45 Hrs(IST) on the bid closing date, otherwise Bid will be rejected.

- 5.0** The Integrity Pact is applicable against this tender. OIL shall be entering into an Integrity Pact with the bidders as per format enclosed as Annexure-VI in Part-4 of the bid document. This Integrity Pact Proforma has been duly signed digitally by OIL’s competent signatory. The Proforma has to be returned by the bidder (along with the Technical bid) duly signed (digitally) by the same signatory who signed the bid, i.e., who is duly authorized to sign the bid. Any bid not accompanied by Integrity Pact Proforma duly signed (digitally) by the bidder shall be rejected straightway. Uploading the Integrity Pact with digital signature will be construed that all pages of the Integrity Pact has been signed by the bidder’s authorized signatory who sign the Bid.
- 6.0** No bid can be submitted after the submission deadline is reached. The system time displayed on e-procurement web page shall decide the submission deadline.
- 7.0** Bids received through the e-procurement portal shall only be accepted. Bids received in any other form shall not be accepted.
- 8.0** Bid should be submitted online up to 11:00 AM (IST) (Server Time) on the date as mentioned and will be opened on the same day at 02:00 PM (IST) at Office of the Head-Contracts in presence of authorized representative of the bidder.
- 9.0** The bid documents are non-transferable. Bid can only be submitted in the name of the bidder in whose name the User ID and Password have been issued. Unsolicited bids will not be considered and will be straightway rejected.
- 10.0** Bids shall be typed or written in indelible ink and shall be digitally signed by the bidder or his authorised representative.
- 11.0** Any physical documents wherever called for, submitted by bidders shall contain no interlineations, white fluid erasures or overwriting except as necessary to correct errors made by the Bidder, in which case such correction shall be initialed by the person or persons who has/have digitally signed the Bid.
- 12.0** Any Bid containing false statement will be rejected.
- 13.0** Against this tender, either the Indian agent on behalf of the Principal/OEM or Principal/OEM itself can bid but both cannot bid simultaneously for the same item/product.
- 13.1** If an agent submits bid on behalf of the Principal/OEM, the same agent shall not submit a bid on behalf of another Principal/OEM in the same tender for the same item/product.

**14.0** Conditional bids are liable to be rejected at the discretion of the Company.

**15.0** Bidder must accept and comply with the following clauses as given in the Bid Document in toto failing which bid will be rejected –

- (i) Performance Guarantee Clause.
- (ii) Force Majeure Clause.
- (iii) Tax Liabilities Clause.
- (iv) Arbitration Clause.
- (v) Acceptance of Jurisdiction and Applicable Law Clause.
- (vi) Liquidated damage and penalty clause.
- (vii) Safety & Labour Law Clause.
- (viii) Termination Clause.
- (ix) Integrity Pact Clause.

**C) GENERAL:**

- 1.0 In case bidder takes exception to any clause of bid document not covered under BEC/BRC, then the Company has the discretion to load or reject the offer on account of such exception if the bidder does not withdraw/modify the deviation when/as advised by company. The loading so done by the Company will be final and binding on the bidders.
- 2.0 To ascertain the substantial responsiveness of the Bid the Company reserves the right to ask the bidder for clarification in respect of clauses covered under BRC also and such clarifications fulfilling the BRC clauses in toto must be received on or before the deadline given by the Company, failing which the offer will be summarily rejected.
- 3.0 If any of the clauses in the BRC contradict with other clauses of the Bid Document elsewhere, then the clauses in the BRC shall prevail.

**II) BID EVALUATION CRITERIA (BEC)**

- 1.0 The bids conforming to the technical specifications, terms and conditions stipulated in the bidding document and considered to be responsive after subjecting to Bid Rejection Criteria will be considered for further evaluation as per the Bid Evaluation Criteria given below:
- 2.0 If there is any discrepancy between the unit price and the total price, the unit price will prevail and the total price shall be corrected. Similarly, if there is any discrepancy between words and figure, the amounts in words shall prevail and will be adopted for evaluation.

**3.0** For conversion of foreign currency into Indian currency for evaluation of Bids, B.C. selling (Market) rate declared by State Bank of India, one day prior to the date of priced bid opening shall be considered. However, if the time lag between the opening of the bids and final decision exceeds 3(three) months, then B.C. Selling(Market) rate of exchange declared by SBI on the date prior to the date of final decision shall be adopted for conversion and evaluation.

**Note:** In case the Bidder imports the equipment against recommendatory letter from OIL to avail NIL rate of custom duty, the bidder has to re-export all the equipment after completion of the contract. The bidder will be fully responsible to pay the customs duty in case the units are taken by the contractor to area where NIL customs duty benefit is not applicable.

**4.0** The bidders must quote their charges / rates in the manner as called for vide "Schedule of Rates" under Section IV and the summarized price bid format vide **Proforma- B** uploaded in the "**Notes & Attachments**" Tab.

**5.0** To ascertain the inter-se-ranking, the comparison of the responsive bids will be made subject to loading for any deviation. Commercial Bids shall be evaluated taking into account the rates quoted in the **Price Bid Format (Proforma-B)** by taking into account the summation of the following:

**TOTAL BID PRICE (T) = A+B+C+D+E+F+G**

Where **A = TOTAL MOBILIZATION CHARGE**  
**B = TOTAL DE-MOBILIZATION CHARGE**  
**C = TOTAL DAILY RENTAL CHARGE FOR EQUIPMENT (PER SET PER DAY) - LOW CAPACITY ESP**  
**D= TOTAL DAILY RENTAL CHARGE FOR EQUIPMENT (PER SET PER DAY) - HIGH CAPACITY ESP**  
**E = TOTAL OPERATING DAY RATE CHARGE PER WELL - LOW CAPACITY ESP**  
**F= TOTAL OPERATING DAY RATE CHARGE PER WELL – HIGH CAPACITY ESP**  
**G= TOTAL INTERIM DE-MOBILIZATION CHARGE & MOBILIZATION CHARGE FOR (PERSONNEL & EQUIPMENT) PER WELL**

Notes:

I. The items mentioned in the clause 5.0 above are to be read in conjunction with Section-IV (Schedule of Rates).

III. Bidders are to declare the detailed information regarding the equipment, consumables etc. required to be imported in to India in connection with these operations in Proforma - A (enclosed) in Part -4 of bid document for estimating the customs duty.

**6.0 Granting of Price Preference to Domestic bidders (applicable to ICB tenders only):**

Domestic bidders would be entitled to a price preference up to ten percent (10%) over the lowest acceptable (evaluated) foreign bid subject to value addition. For ensuring value addition and eligibility for price preference, domestic bidders should provide all evidence necessary to prove that they meet the following criteria:

- (a) Be registered within India
- (b) Have majority ownership by Nationals of India
- (c) Not sub-contract more than 50% of the works measured in terms of value, to Foreign Contractors.

For meeting the criteria at (c) above, **domestic bidder should obtain a certificate in original from practicing Statutory Auditor engaged by them for auditing their annual accounts**, which could establish that not more than 50% of the works measured in terms of value has been sub-contracted to Foreign contractors. The original certificate indicating various sub-contracting details in percentage terms as well as in absolute value should be submitted in the price bid. **However, copy of the Statutory Auditors certificate indicating subcontracting details in percentage terms only and with price details blanked out should be submitted in the Technical (un-priced) bid.**

Consortium between domestic(Indian) and foreign firms but led by Indian firm shall also be eligible for the price preference provided they **(the leader of the consortium)** fulfil the conditions of price preference given for domestic bidder at (a),(b),(c) above. However, consortium between domestic and foreign firm shall not be eligible for price preference even though their domestic partner satisfies the conditions given for domestic bidder at (a), (b), (c) above.

It must be noted that above information so furnished, if at any stage found wrong, incorrect or misleading, will attract action as per rules/law.

The Bidders are requested to check the latest position on the subject on their own and OIL does not accept any liability whatsoever, on this account.

**7.0 Custom Duty:** The services under this Contract shall be carried out in ML/PEL areas of the Company issued to or renewed by Company after 01/04/99 and therefore, imports under this Contract is presently exempted from Customs Duty. Bidders should take note of the same while quoting. No customs duty is therefore considered for evaluation.

**Note:** In case the Bidder imports the equipment on NIL custom duty, the bidder has to re-export all the equipment after completion of the contract. The bidder will be fully responsible to pay the customs duty in case the equipments are taken by the contractor to area where NIL customs duty benefit is not applicable.

- 12.4 **TERMINATION FOR UNSATISFACTORY PERFORMANCE:** If the Company considers that, the performance of the Contractor is, not as per the scope of the work as specified in the contract, the Company shall notify the Contractor in writing and specify in details the cause. The Company shall have the option to terminate this Contract by giving 15 days notice in writing to the Contractor, if Contractor fails to comply with the requisitions contained in the said written notice issued by the Company.
- 12.5 **TERMINATION DUE TO CHANGE OF OWNERSHIP & ASSIGNMENT:** In case the Contractor's rights and / or obligations under this Contract and/or the Contractor's rights, title and interest to the equipment / material, are transferred or assigned without the Company's consent, the Company may at its absolute discretion, terminate this Contract.
- 12.6 If at any time during the term of this Contract, breakdown of Contractor's equipment results in Contractor being unable to perform their obligations hereunder for a period of 30 successive days, Company at its option, may terminate this Contract in its entirety without any further right or obligation on the part of the Company, except for the payment of money then due. No notice shall be served by the Company under the condition stated above.
- 12.7 Notwithstanding any provisions herein to the contrary, the Contract may be terminated at any time by the Company on giving 30 (thirty) days written notice to the Contractor due to any other reason not covered under the above clause from 12.1 to 12.6 and in the event of such termination the Company shall not be liable to pay any cost or damage to the Contractor except for payment of services as per the Contract upto the date of termination.
- 12.8 **CONSEQUENCES OF TERMINATION:** In all cases of termination herein set forth, the relative obligations of the parties to the Contract shall be limited to the period upto the date of termination. Notwithstanding the termination of this Contract, the parties shall continue to be bound by the provisions of this Contract that reasonably require some action or forbearance after such termination.

12.9 Upon termination of this Contract, Contractor shall return to Company all of Company's items, which are at the time in Contractor's possession.

12.10 In the event of termination of contract, Company will issue Notice of termination of the contract with date or event after which the contract will be terminated. The contract shall then stand terminated and the Contractor shall demobilize their personnel & materials.

**13.0 SETTLEMENT OF DISPUTES AND ARBITRATION:**

13.1 All disputes or differences whatsoever arising between the parties out of or relating to the construction, meaning and operation or effect of this contract or the breach thereof shall be settled by arbitration in accordance with the Rules of Indian Arbitration and Conciliation Act, 1996. The Arbitration should be conducted by three Arbitrators, where each party shall appoint one Arbitrator and such Arbitrators should mutually select and appoint the third and Presiding Arbitrator. If any party fails to appoint an Arbitrator within 30 days of being notified to do so by the other Party or if the two Party appointed Arbitrators fail to agree on the third Arbitrator, the Parties shall be at liberty to seek appointment of Arbitrator in accordance with the provisions of the Arbitration and Conciliation Act, 1996 by a petition before a Court having jurisdiction. The venue of arbitration will be Duliajan, Assam. The award made in pursuance thereof shall be binding on the parties.

**23.0 INDEMNITY AGREEMENT:**

23.1 Except as provided hereof Contractor agrees to protect, defend, indemnify and hold Company harmless from and against all claims, suits, demands and causes of action, liabilities, expenses, cost, liens and judgments of every kind and character, without limit, which may arise in favour of Contractor's employees, agents, Contractors and sub-contractors or their employees on account of bodily injury or death, or damage to personnel/property as a result of the operations contemplated hereby, regardless of whether or not said claims, demands or causes of action arise out of the negligence or otherwise, in whole or in part or other faults.

23.2 Except as provided hereof Company agrees to protect, defend, indemnify and hold Contractor harmless from and against all claims, suits, demands and causes of action, liabilities, expenses, cost, liens and judgments of every kind and character, without limit, which may arise in favour of Company's employees, agents, Contractor and sub-contractors or their employees on account of bodily injury or death, or damage to personnel/property as a result of the operations contemplated hereby, regardless of whether or not said claims, demands or causes of action arise out of the negligence or otherwise, in whole or in part or other faults.

**24.0 INDEMNITY APPLICATION:** The indemnities given herein above, whether given by Company or Contractor shall be without regard to fault or to the negligence of either party even though said loss, damage, liability, claim, demand, expense, cost or cause of action may be caused, occasioned by or contributed to by the negligence, either sole or concurrent of either party.

**25.0 PAYMENT, MANNER OF PAYMENT, RATES OF PAYMENT & INVOICING PROCEDURE:**

- 25.1 Company shall pay to Contractor, during the term of the contract, the amount due calculated according to the rates of payment set and in accordance with other provisions hereof. No other payments shall be due from Company unless specifically provided for in this contract. All payments will be made in accordance with the terms hereinafter described.
- 25.2 **MANNER OF PAYMENT** : All payments due by Company to Contractor shall be made at Contractor's designated bank. All bank charges will be to Contractor's account.
- 25.3 Payment of any invoices shall not prejudice the right of Company to question the validity of any charges therein, provided Company within one year after the date of payment shall make and deliver to Contractor written notice of objection to any item or items the validity of which Company questions.
- 25.4 **INVOICES:** Mobilization charges will be invoiced only upon completion of mobilization, submission /production of appropriate inventory documents, and physical verification by company representative.
- 25.5 The company will issue necessary work-order for individual job(s). The Contractor shall furnish job completion report against each work order. The Format for the job completion report shall be prepared jointly by the Contractors and the Company's representative after signing of the agreement. Contractor shall send invoice along with the job completion reports to Company on the day following the end of each month for all daily or monthly charges due to the Contractor.
- 25.6 Billings for daily charges will reflect details of time spent and the rates charged for that time. This should be in the form of monthly time analysis chart(s). Contractor will submit 6(six) sets of all invoices to Company for processing of payment.
- 25.7 Contractor will submit 6(six) sets of all invoices to Company address given under **clause No. 14.1 (b)** duly super scribed 'Original' and 'copy' as applicable for processing of payment. Separate invoices for the charges payable under the contract shall be submitted by the Contractor for foreign currency and Indian currency.
- 25.8 Contractor shall submit invoices to Company on the day following the end of each month for all daily or monthly charges due to the Contractor.
- 25.9 Invoice for reimbursable charges related to the contract will be accompanied by documents supporting the cost incurred.

- 25.10 Payment of monthly invoices, if undisputed, shall be made within 30 days following the date of receipt of invoice by Company excepting for the first two (2) monthly invoices where some delay (up to one month) may occur.
- 25.11 Payment of other invoices as set forth in Clause No. 25.8 shall be made within 60 days following the date of receipt of the invoices by Company.
- 25.12 Payment of mobilization charges shall be made within 45 days following the date of receipt of undisputed invoices by Company. Mobilization should be complete in all respect before raising invoice.
- 25.13 Company shall within 20 days of receipt of the invoice notify Contractor of any item under dispute, specifying the reasons thereof, in which event, payment of the disputed amount may be withheld until settlement of the dispute, but payment shall be made of any undisputed portion. This will not prejudice the Company's right to question the validity of the payment at a later date as envisaged in sub-clause No. **25.3** above.
- 25.14 The acceptance by Contractor of part payment on any billing not paid on or before the due date shall not be deemed a waiver of Contractor's rights in respect of any other billing, the payment of which may then or thereafter be due.
- 25.15 Payment of demobilization charges shall be made when applicable within 45 days following receipt of invoice by Company accompanied by the following documents from the Contractor :
- a) Proof of re-export of all items including the unutilized spares and consumables (excepting consumables consumed during the contract period) and also cancellation of re-export bond if any.
  - b) Any other documents as required by applicable Indian Laws.
- In case, no demobilization charges are payable the documents mentioned above will have to be submitted by the Contractor before release of the final payment by the company.
- 25.16 Contractor shall maintain complete and correct records of all information on which Contractor's invoices are based upto 2(two) years from the date of last invoice. Such records shall be required for making appropriate adjustments or payments by either party in case of subsequent audit query/objection. Any audit conducted by Company of Contractor's records, as provided herein, shall be limited to Company's verification (i) of the accuracy of all charges made by Contractor to Company and (ii) that Contractor is otherwise in compliance with the terms and conditions of this Agreement.
- 25.17 **SET-OFF**: Any sum of money due and payable to the Contractor (including Performance Security refundable to them) under this or any other Contract may be appropriated by OIL and set-off against any claim of OIL (or such other person or persons contracting through OIL) for payment of a sum of money arising out of this contract or under any other contract made by the Contractor with OIL (or such other person or persons contracting through OIL).

**26.0 WITHHOLDING:** Company may withhold the whole or any part of the amount due to Contractor, after informing the Contractor of the reasons in writing, on account of subsequently discovered evidence in order to protect Company from loss on account of:

- a) For non-completion of jobs assigned as per Section-II.
- b) Contractor's indebtedness arising out of execution of this Contract.
- c) Defective work not remedied by Contractor.
- d) Claims by sub-Contractor of Contractor or others filed or on the basis of reasonable evidence indicating probable filing of such claims against Contractor.
- e) Failure of Contractor to pay or provide for the payment of salaries/ wages, contributions, taxes or enforced savings with-held from wages etc.
- f) Failure of Contractor to pay the cost of removal of unnecessary materials, tools, or machinery from the work site.
- g) All claims against Contractor for damages and injuries, and/or for non-payment of bills etc.
- h) Any failure by Contractor to fully reimburse Company under any of the indemnification provisions of this Contract. If, during the progress of the work Contractor shall allow any indebtedness to accrue for which Company, under any circumstances in the opinion of Company may be primarily or contingently liable or ultimately responsible and Contractor shall, within five days after demand is made by Company, fail to pay and discharge such indebtedness, then Company may during the period for which such indebtedness shall remain unpaid, with-hold from the amounts due to Contractor, a sum equal to the amount of such unpaid indebtedness.

Withholding will also be effected on account of the following:-

- i) Order issued by a Court of Law in India.
  - ii) Income-tax deductible at source according to law prevalent from time to time in the country.
  - iii) Any obligation of Contractor which by any law prevalent from time to time to be discharged by Company in the event of Contractor's failure to adhere to such laws.
  - iv) Any payment due from Contractor in respect of unauthorized imports.
- When all the above grounds for withholding payments shall be removed, payment shall thereafter be made for amounts so with-hold.
- Notwithstanding the foregoing, the right of Company to withhold shall be limited to damages, claims and failure on the part of Contractor, which is directly/indirectly related to some negligent act or omission on the part of Contractor.

**27.0 APPLICABLE LAW:**

27.1 The Contract shall be deemed to be a Contract made under, governed by and construed in accordance with the laws of India for the time being in force and shall be subject to the exclusive jurisdiction of Courts situated in Dibrugarh/ Guwahati.

27.2 The Contractor shall ensure full compliance of various Indian Laws and Statutory Regulations, to the extent applicable, as stated below, but not limited to, in force from time to time and obtain necessary permits/licenses etc. including Road Permits:

- a) The Mines Act - as applicable to safety and employment conditions
- b) The Minimum Wages Act, 1948

- c) The Oil Mines Regulations, 1984
- d) The Workmen's Compensation Act, 1923
- e) The Payment of Wages Act, 1963
- f) The Payment of Bonus Act., 1965
- g) The Contract Labour (Regulation & Abolition) Act, 1970 and the rules framed there under
- h) The Employees Pension Scheme, 1995
- i) The Interstate Migrant Workmen Act., 1979 (Regulation of employment and conditions of service)
- j) The Employees Provident Fund and Miscellaneous Provisions Act, 1952
- k) Assam, WB & Bihar Tax Act including VAT & Entry Tax Act
- l) Service Tax Act
- m) Customs & Excise Act & Rules
- n) Environment Protection Act
- o) Public Liability Act

27.3 The Contractor shall not make Company liable to reimburse the Contractor to the statutory increase in the wage rates of the contract labour appointed by the Contractor. Such statutory or any other increase in the wage rates of the contract labour shall be borne by the Contractor.

**28.0 RECORDS, REPORTS AND INSPECTION:** The Contractor shall, at all times, permit the Company and its authorised employees and representatives to inspect all the Work performed and to witness and check all the measurements and tests made in connection with the said work. The Contractor shall keep an authentic, accurate history and logs including safety records at all reasonable times for inspection by the Company's designated representatives and its authorised employees and representatives. The Contractor shall provide the Company designated representatives with a daily written report, on form prescribed by the Company showing details of operations during the preceding 24 hours. The Contractor shall not, without Company's written consent allow any third person(s) access to the said records, or give out to any third person information in connection therewith.

**29.0 SUBSEQUENTLY ENACTED LAWS:** Subsequent to the date of submission of bid by the Contractors, if there is a change in or enactment of any law or change in application or enforcement or interpretation of existing law by any governmental authority or public body, which results in additional cost/reduction in cost to Contractor on account of the operation under the Contract, the company/ Contractor shall reimburse/pay Contractor/Company for such additional/reduced costs actually incurred.

**30.0 ROYALTY AND PATENTS:** Each party shall hold harmless and indemnify the other from and against all claim and proceedings for or on account of any patent rights, design, trade mark or other protected rights arising from any use of materials, equipment, processes, inventions and methods which have not been imposed on the attending party by the terms of the contract or the specifications or drawings forming part thereof.

**31.0 AMENDMENTS:**

**31.1** It is fully understood and agreed that none of the terms and conditions of the contract shall be deemed waived or amended by either party unless such waiver or amendment is executed in writing by the duly authorized agents or representatives of such party. The failure of either party to execute any right of termination shall not act as a waiver or amendment of any right of such party provided hereunder.

**32.0 WAIVER:**

**32.1** Any delay in exercising and any omission to exercise any right, power or remedy exercisable by the Company under this contract shall not impair such right, power or remedy and shall not be interpreted as a waiver of the Company's rights under that clause.

**32.2** A waiver by the Company of any breach by the Contractor of any provision of this contract on a particular occasion shall not prevent the subsequent enforcement of that provision or any other provision by the Company or be deemed a waiver by the Company of any subsequent breach of that provision or any other provision by the Contractor.

**\*\*\*\*\*END OF SECTION – I, PART-3\*\*\*\*\***

**PART - 3**  
**SECTION - II**

**TERMS OF REFERENCE AND TECHNICAL SPECIFICATIONS OF EQUIPMENT**

**1.0 DEFINITION OF WORK:** The Contractor shall provide 10 (Ten) sets of Electrical Submersible Pump Systems as per the equipment list given below with other associated equipment / tools on **rental basis** & perform Operation & Maintenance of the ESP systems for an initial period of 3(Three) years with provision for extension for a further period of 1 (One) year at the same rates, terms and conditions. If OIL desires, the Contractor shall have to provide additional sets of ESPs with complete associated equipment with same terms and conditions.

The equipment provided by the Contractor will be utilized by OIL for crude oil along with associated well fluid production in 10 (ten) different wells.

**2.0 AREA OF OPERATION:**

The area of operation as planned is in Assam.

The following information is for general guidelines to the Contractor:

- (a) Minimum width of the well site approach road: 3.66 m
- (b) Turning Radius of the roads: 15 m (Generally), 12 m (exceptionally)
- (c) Maximum allowable unit load inclusive of tare weight for Class AA loading: 45 T
- (d) Maximum overhead clearance: 4.25 m(14 feet).
- (e) Highest recorded wind velocity in Assam: 80km/hour (60 MPH).
- (f) Max. Recorded ambient temp: 40° Celcius
- (g) Min. recorded ambient temp: 8° Celcius.
- (h) Weather Pattern: Frequent rains from March to September and occasional during the remaining period.
- (i) Nature of top soil: Usually Clay/Alluvium/ Unconsolidated.
- (j) Source of water: Through shallow bore wells. In rare cases, where water cannot be drawn from bore wells, water is to be drawn from nearby rivers, pond or water body etc. nearer to the well site.
- (k) Average annual rainfall: 250 / 300 cm.(Rains for 7-8 months/year)
- (l) Humidity: Max. 98%

**3.0 SCOPE OF WORK:** The work is defined and described by, but not necessarily limited to, any or all of the following. The service to be carried out by the Contractor under this contract is as follows:

- A. Selection of suitable candidate wells for ESP installation
- B. Design of surface and sub surface ESP equipment
- C. Supply of designed ESP equipments on rental basis
- D. Assignment of field service specialists to work with OIL's rig crew during installation/de-installation /re-siting etc.
- E. Installation & Commissioning of ESP
- F. Operation & Maintenance of ESPs
  - Operation
  - Scheduled maintenance

- Breakdown Maintenance if any
  - Supply of requisite manpower
- G. Spare Management  
H. Imparting Training to OIL's personnel

**A. Selection of suitable candidate wells for ESP installation**

OIL has planned to install 10 (Ten) nos. of ESPs in its Upper Assam oilfields. The capacity of the ESPs are divided into two categories as under –

- i) Low capacity ESPs: Rate 60 – 100 cum/day for category A well = Quantity 4 nos.
- ii) High capacity ESPs: Rate 100-150 cum/day for category B well = Quantity 6 nos.

The representative well data for both categories are furnished in the design data sheets **IA & IB.**

Representative Well data sheets contain basic information of well completions, reservoir data and fluid genetics etc. as necessary for selection of suitable wells for ESPs. The Contractor shall screen the given data for designing and sizing of suitable subsurface and other related surface equipment.

A list of candidate wells will be provided to the Contractor after issuance of LOA. The Contractor shall make a study of these wells and select 10(ten) wells which will be best suitable for the ESP systems. Accordingly, the Contractor shall submit a report to OIL within 30 days.

At the time of installation, the Contractor shall undertake analysis of the well data of specific well and design the well completion for ESP installation selecting pumps from any one of the stipulated categories as mentioned in above.

**B. Designing of surface and sub surface ESP equipment**

On the basis of well data supplied, the Contractor shall have to design surface and down hole ESP system equipment individually for all the wells. Designing of ESPs shall preferably be carried out with the help commonly used software like SubPUMP or equivalent. The design shall include down hole completion with representative schematic showing all the components and size and connections. Relevant design data sheets, graphs, load calculations of electrical equipments etc shall be furnished along with the bid. Based on the design calculation the Contractor shall select suitable downhole equipment like pump, motor, gas separator and surface equipment like Variable Speed Drive (VSD), Junction Box, Generator etc. The Contractor shall make a list of the offered equipment mentioning Make, Model, Quantity, dimensions etc in tabular form and shall be furnished along with the bid. The following design consideration shall be taken into account:

1. The furnished well data are indicative and may change to certain degree from the time of measurement. Therefore appropriate allowances for the well parameters shall be added while designing the ESP system.
2. A Reservoir pressure depletion of 5 to 10% per year shall be assumed for all design calculations.
3. Designing of Pump setting depth shall be in such a way that the Fluid Over Pump (Pump submersion) be at its maximum to avoid failure of pump on account of dry run and to minimize down hole retrieval operations.

**C. Supply of designed ESP equipments on rental basis**

The Contractor shall provide 10 (ten) sets of ESP system as a complete package of equipment on rental basis for a period of 3 years of operation and with a provision for extension for another 1 (one) year. In context to BRC/BEC 1.1.1, vintage of only Subsurface Equipments shall be considered which shall comprise of:

**Subsurface Equipment:**

1. Submersible Electric Motor
2. Hydro protector
3. Gas Separator
4. Electric Submersible Pump
5. Pump Intake
6. Down hole Sensor
7. Electric Cable
8. Check Valve
9. Tubing Drain
10. Discharge Head
11. Any other item not covered but required

Besides, the above, the ESP system shall constitute the following:

**i) Surface Equipment:**

1. Well Head
2. Junction Box
3. Transformer
4. Variable Speed (Frequency) Drive (VSD/VFD)
5. HSD powered Generator Set ( 1 unit per ESP system)
6. HSD powered Generator Set unit (1 unit per ESP system) - to be kept as back up unit.
7. Harmonic Filter (if needed)
8. Illumination system
9. Any other item not covered but required

**ii) Installation & Commissioning Tools**

The Contractor shall arrange for all the necessary installation & commissioning tools such as slips, elevator, cable Pulley, wrenches, all type of lubricants etc. specially required for ESP installation.

**Note: Delivery Schedule of ESPs on site**

<b>Phases of ESP system delivery</b>	<b>Delivery time</b>	<b>ESP systems to be delivered</b>	<b>Cumulative number of ESP systems delivered</b>
1 <sup>st</sup> Phase	0-180days from issuance of LOA	2	2
2 <sup>nd</sup> Phase	30 days from delivery of ESPs in 1 <sup>st</sup> phase	2	4
3 <sup>rd</sup> Phase	30 days from delivery of ESPs in 2 <sup>nd</sup> phase	2	6
4 <sup>th</sup> Phase	30 days from delivery of ESPs in 3 <sup>rd</sup> phase	2	8
5 <sup>th</sup> Phase	30 days from delivery of ESPs in 4 <sup>th</sup> phase	2	10

OIL will provide rigs to install the ESPs in the well envisaging 2 ESPs within a month's time and the contractor shall make the 2 equipments fully operational after installation of each ESP.

Note: If the contractor fails to comply with the above delivery schedule penalty as per d) of the table in Clause 9 of Schedule of Rates shall be applicable.

**D. Assignment of field service specialists to work with OIL's rig crew**

After receiving of the ESP equipment at Duliajan, Assam, OIL shall arrange for deployment of well servicing rig for installation of ESP's down hole equipment. At the time of running in of ESP down hole equipment, the Contractor shall depute ESP engineer to instruct and assist the rig crew for proper installation of the same. Moreover the Contractor shall depute competent personnel to install and commission of the ESP system after completion of down hole pumps.

**E. Installation & Commissioning of ESP**

As a parallel operation to that of para D above, the Contractor shall arrange for deployment of ESP Commissioning engineer to complete the installation and functional testing of the surface equipment (like Gen set , VSD etc) at the OIL's designated wells. The ESP Commissioning engineer shall be present during the entire commissioning and installation period of all the ESPs. The commissioning engineer shall be fully responsible and shall take complete control of the installation and commissioning activities of the ESP packages at the well site. The ESP Commissioning engineer deployed must be fluent in English or local language.

Once the installation of the down hole equipment is completed, the Contractor shall arrange for commissioning of the ESP system as a whole to the satisfaction of OIL. All tests shall be carried out in presence of OIL's Engineers and all test results shall be recorded in a proper manner and should be submitted to OIL.

HSD required for running of the Gensets shall be supplied by Contractor. During the installation and commissioning of Prime mover & Electric Controls following guideline are to be specifically adhered to:

- i) All works of installation shall be carried out in complete with latest BIS, IE rules, Indian Electricity Acts and National Electric codes.

- ii) If required, services of specialist Engineer(s) from the manufacturers of Motor and Control panel shall be made available by the Contractor for installation and commissioning of the equipment to the full satisfaction of OIL
- iii) All electrical works shall be done by persons having relevant & valid electrical licenses issued by State Licensing Board.
- iv) Civil engineering works such as trench cutting, masonry jobs like grouting, leveling etc. shall be done by Contractor.
- v) The Contractor shall obtain permit to work from Engineer-in charge / Installation manager before taking up the installation and commissioning job.
- vi) Complete earthing system, including materials, shall be supplied and installed by the Contractor as per IS: 3043 and to the satisfaction of OIL.
- vii) All equipments which shall be inside the "Hazardous Zone" should have valid DGMS approval.
- viii) Check of Electrical: The Contractor shall carry out the following checks of electrical equipment –
  - a. Conformity to the circuit diagram.
  - b. Protection schemes
  - c. Insulation checks
  - d. Earth resistance test
  - e. Tightness checks of circuits / control devices
  - f. Any other test as recommended by the manufacturer

The commissioning of the ESP system deems to be completed once the well is brought into production with the help of ESP and to the satisfaction of OIL. After completion of the jobs, the ESP commissioning engineer shall prepare a complete commissioning report and submit it to OIL.

**F. Operation & Maintenance of ESPs**

After successful commissioning of each ESP package the Contractor shall undertake full responsibility for Operation and Maintenance of the same for a period of 3 (three) years.

The scope of work under operation and maintenance of the ESPs includes all that are required for safe, trouble-free and uninterrupted operation of the supplied ESPs as per sound industry practices, for a period of 3 (three) years. The Contractor shall undertake operation and maintenance (O&M) of the ESPs forthwith after completion of the installation and commissioning of the ESPs and shall be responsible for arranging all resources including competent manpower as per requirements of Indian Mines Act, its bye-laws & other legislations in force; employee insurance & benefits and all resources / facilities for continuous twenty four hour operations on shift basis; public liability insurance, routine & scheduled maintenance including running repairs and provisioning of relevant spares and consumables in relation thereto, directly or through Annual Maintenance Contract (AMC) and upkeep of the well plinth including periodic repainting.

**Scope of operational and maintenance jobs:** The Contractor shall carry out the following operations:

- a) Transportation of their men and materials to the respective installations is Contractor's responsibility. The Contractor must have sufficient transportation facilities for transfer of crew, materials etc. to the work locations.
- b) Operation of all surface and downhole equipment of Electric Submersible Pumping units round the clock in its oilfields and record all operating

parameters in respect of equipment in the Log Sheets which are to be approved by OIL. This includes various hourly parameters of ESP units which are available at the monitor of Electrical control panel.

- c) **Day to day routine maintenance** - The Contractor shall carry out day to day routine maintenance including provision of spares and consumables at their cost and it will be part of O&M. Duration of routine maintenance shall be planned and fixed mutually.
- d) **Scheduled maintenance** - The Contractor shall design and carryout well planned preventive maintenance of the ESP units and it is expected that there will not be any breakdown of the ESPs units during the O&M period. Sufficient spares shall be kept in hand by the Contractor prior to taking up maintenance job.
- e) **Breakdown maintenance** - In case of any breakdown of the ESP units the Contractor shall carryout breakdown maintenance at the earliest possible time. Sufficient spares shall be kept in hand by the Contractor prior to taking up the maintenance job.
- f) **Down hole Retrieval & Servicing:** It is envisaged that the installed ESP systems shall run for at least 2 years time without any requirement for down hole retrieval. After completion of 2 years and if the maintenance demands the retrieval of down hole equipment from the well, OIL will provide requisite work-over rig service. Contractor shall intimate OIL at least 45 days in advance if such maintenance is required. If any other materials, services or assistance are to be provided by OIL for maintenance of the ESPs in the wells the same may be specifically mentioned in the bid.

If there is any breakdown of downhole equipment before completion of 2 years, OIL may decide to provide requisite work-over rig service considering priority and availability of rigs subject to the following conditions:

- i. OIL will endeavor to provide rigs within 45 days from the notice of the contractor for retrieval of down hole equipment from the well. During the workover operation for retrieval of downhole ESP, the Contractor shall provide requisite manpower and services as per Clause 3.0 E above. During the period from the date of breakdown of equipment till placement of rig at well site, zero rates shall be applicable during this period. Daily rental charge and Operating day rate charge will be payable during the installation and commissioning period.
- ii. In case of multiple failure of ESP systems (i.e. more than one ESP at a time) only 1 rig at a time will be deployed to attend such cases. However OIL may consider providing rigs for other wells depending on the priority of well, availability of rigs, rig movement. Zero rates as per i) above will be also applicable for all shutdowns of ESP systems.
- iii. If there is more than one failure for a particular set of ESP downhole equipment in 2 years which requires retrieval, OIL will endeavor to provide rigs within 90 days. Zero rates along with penalty as per Clause 9 c) of Part -3 Section IV will be applicable till the installation and commissioning of ESPs is completed subject. Penalty will be applicable for a maximum of 90 days.

- iv. If the downhole equipment is malfunctioning because of factors attributable to downhole conditions or any other reasons that are not attributable to the contractor, then no penalty shall apply. Daily rental shall be paid in such cases.
- v. In cases where the ESP system is shifted from a particular location to another, the ESP system should run for a total of 2 years failing which above clauses will be applicable.
- g) During the tenure of the contract, if OIL intends to shift ESP system from a particular location to another location due to uneconomical operation, the well fails to deliver desired level of production, reservoir and production related reasons or any other logistics or environmental problem, OIL shall notify the Contractor to terminate the operation for that particular well and direct to reinstallation of the ESPs to another well. The Contractor shall retrieve the down hole equipment from the well with the help of Workover rig provided by OIL. The Contractor shall arrange for transferring all the surface and subsurface equipment to another locations as designated by OIL.
- h) The Contractor shall maintain general illumination of the installations.
- i) **Documentation:** The Contractor shall submit Preventive Maintenance Schedule along with the bid. Recording of various operational parameters shall be done in Log sheets and shall be submitted to OIL on daily basis.
- j) The Contractor shall adhere to the Safe Operating Procedure furnished to the Contractor for running of the units.
- k) **ASSOCIATION OF COMPANY'S PERSONNEL:**
- i. OIL may depute one or more than one representative (s) / engineer (s) to act on its behalf for overall co-ordination and operational management at location. OIL's representative will be vested with the authority to order any changes in the scope of work to the extent so authorized and notified by the Company in writing. He shall liaise with the Contractor and monitor progress to ensure timely completion of the jobs. He shall also have the authority to oversee the execution of jobs by the Contractor and to ensure compliance of provisions of the contract.
- ii. OIL's representatives shall have free access to all the equipment of the Contractor during operations as well as idle time for the purpose of observing / inspecting the operations performed by the Contractor in order to judge whether, in Company's opinion, the Contractor is complying with the provisions of the contract.
- iii. Joint inspection of the well sites with OIL representative and submit detailed report of the site condition prior to taking up the job.
- l) The contractor shall maintain cleanliness and up-keepment of the installations.
- m) The Contractor's personnel shall undertake the operation & maintenance of all the surface equipment including Gensets, VSD etc.

n) All the consumables like Lube oil, Transformer oil and any other consumables shall be arranged by the Contractor for operation & maintenance of the ESP systems.

o) **Operating time and Unit maintenance time**- It is envisaged that the ESP units will operate for 365 days in a year on 24 hours per day basis. There may be planned stoppage of the pump for periodic inspection, maintenance or any other scheduled jobs. Duration of such interruption shall be worked out mutually at the time of actual execution of the job based on technical justifications.

p) The Company shall hand over the well sites secured with suitable fence where ESPs will be installed. The security of all the Contractor's equipments including consumables and of the Contractor's personnel working in the respective installations shall be the Contractor's responsibility and liability. Company shall not be liable for any loss or damage of Contractor's equipments. Also, the Contractor shall be required to arrange for the requisite security through State Agencies for ensuring safe movement of their experts to the site.

#### **G. Spare management**

Provision of managing Spares for the ESP's is the Contractor's responsibility. The Contractor shall keep sufficient stock of spares in hand so that the breakdown of any equipment can be attended and rectified in a quickest mode. If possible, some of the critical equipment shall be kept as back up for urgent replacement of the faulty unit.

#### **H. Imparting Training to OIL's personnel**

(i) The Contractor shall impart training to at least 12 OIL's personnel at Company's headquarters, Duliajan free of cost on Electrical Submersible Pump system as mentioned below:

- a) Data analysis and candidate selection
- b) Pump design & selection of equipment
- c) Installation & Commissioning of downhole and surface equipment
- d) Safe Operation & Maintenance of ESP's
- e) Monitoring of ESP system
- f) Trouble shooting

The training schedule will be divided into two modules:

- a) Class room training on all theoretical aspects for a period of one week
- b) On the job training during actual job operations without hampering the operations.

(ii) Training shall be provided to at least 5 OIL's executives for duration of 02 weeks at Contractor's work place free of cost during execution of the project for familiarization with Installation & Commissioning of ESPs, Operation & Maintenance of ESPs and all other aspects of ESPs. To and fro and accommodation of all the personnel expenses shall be borne by OIL. Contractor shall submit training schedule along with the bid. Necessary training module & training materials / handout required shall be provided by the Contractor.

**4.0 Sub-contracting** - The Contractor shall not sub-contract the O&M of ESPs.

**5.0 Safe operating practices** - The Contractor before taking up O&M of the plant shall

develop a Standard Operating Procedure (SOP) for operation and maintenance, schedule of routine and periodic maintenance of ESPs as per sound industry practices. Such SOP shall be duly approved by OIL and be strictly adhered to by the Contractor for operation and maintenance of the ESPs. The deputed personnel shall take all safety precautions during the works as per the prevailing statutory guidelines. However, should there be any accident caused to Contractor's personnel due to their negligence to safety rules, the Contractor shall be fully responsible for such accident.

- 6.0 Safety Regulations** - The operation and maintenance of the ESPs shall be carried out strictly in accordance with provisions stipulated in Indian Mines act, Oil Mines Regulations, Indian Electricity Rules, OISD norms etc. In absence of a stipulated provision, sound industry practices shall guide the service of the contract.
- 7.0** The Contractor shall be solely responsible throughout the period of the O&M Contract for providing all requirements of their personnel, and of their Sub-contractors, if any, including but not limited to their insurance, housing, medical services, messing, transportation (both air and land transportation), vacation, salaries and all amenities, termination payment and taxes, if any, payable at no charge to OIL.

**INTEGRITY PACT**

Between

Oil India Limited (OIL) hereinafter referred to as "The Principal"

And

(Name of the bidder)..... hereinafter referred to as "The Bidder/Contractor"

**Preamble:**

The Principal intends to award, under laid down organizational procedures, contract/s for providing the services for **Hiring the Services of 10(ten) sets of Electrical Submersible Pump (ESP) system on rental basis including Operation & Maintenance (O&M) for a period of 3(three) years, extendable by another 1(one) year, in the oil fields of Assam.** The Principal values full compliance with all relevant laws and regulations, and the principles of economic use of resources, and of fairness and transparency in its relations with its Bidder/s and Contractor/s.

In order to achieve these goals, the Principal cooperates with the renowned international Non-Governmental Organisation "Transparency International" (TI). Following TI's national and international experience, the Principal will appoint an external independent Monitor who will monitor the tender process and the execution of the contract for compliance with the principles mentioned above.

**Section 1 - Commitments of the Principal**

(1) The Principal commits itself to take all measures necessary to prevent corruption and to observe the following principles:-

1. No employee of the Principal, personally or through family members, will in connection with the tender for, or the execution of a contract, demand, take a promise for or accept, for him/herself or third person, any material or immaterial benefit which he/she is not legally entitled to.
2. The Principal will, during the tender process treat all Bidders with equity and reason. The Principal will in particular, before and during the tender process, provide to all Bidders the same information and will not provide to any Bidder confidential/additional information through which the Bidder could obtain an advantage in relation to the tender process or the contract execution.
3. The Principal will exclude from the process all known prejudiced persons.

(2) If the Principal obtains information on the conduct of any of its employees which is a criminal offence under the relevant Anti-Corruption Laws of India, or if there be a substantive suspicion in this regard, the Principal will inform its Vigilance Office and in addition can initiate disciplinary actions.

## **Section 2 - Commitments of the Bidder/Contractor**

- (1) The Bidder/Contractor commits itself to take all measures necessary to prevent corruption. He commits himself to observe the following principles during his participation in the tender process and during the contract execution.
1. The Bidder/Contractor will not, directly or through any other person or firm, offer,  
  
promise or give to any of the Principal's employees involved in the tender process or the execution of the contract or to any third person any material or immaterial benefit which he/she is not legally entitled to, in order to obtain in exchange any advantage of any kind whatsoever during the tender process or during the execution of the contract.
  2. The Bidder/Contractor will not enter with other Bidders into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, Subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to introduce cartelisation in the bidding process.
  3. The Bidder/Contractor will not commit any offence under the relevant Anticorruption Laws of India; further the Bidder/Contractor will not use improperly, for purposes of competition or personal gain, or pass on to others, any information or document provided by the Principal as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.
  4. The Bidder/Contractor will, when presenting his bid, disclose any and all payments he has made, is committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the contract.
- (2) The Bidder/Contractor will not instigate third persons to commit offences outlined above or be an accessory to such offences.

## **Section 3 - Disqualification from tender process and exclusion from future Contracts**

If the Bidder, before contract award has committed a transgression through a violation of Section 2 or in any other form such as to put his reliability or risibility as Bidder into question, the Principal

is entitled to disqualify the Bidder from the tender process or to terminate the contract, if already signed, for such reason.

1. If the Bidder/Contractor has committed a transgression through a violation of Section 2 such as to put his reliability or credibility into question, the Principal is entitled also to exclude the Bidder/Contractor from future contract award processes. The imposition and duration of the exclusion will be determined by the severity of the transgression. The severity will be determined by the circumstances of the case, in particular the number of transgressions, the position of the transgressions within the company hierarchy of the Bidder and the amount of the damage. The exclusion will be imposed for a minimum of 6 months and maximum of 3 years.
2. The Bidder accepts and undertakes to respect and uphold the Principal's Absolute right to resort to and impose such exclusion and further accepts and undertakes not to challenge or question such exclusion on any ground, including the lack of any hearing before the decision to resort to such exclusion is taken. This undertaking is given freely and after obtaining independent legal advice.
3. If the Bidder/Contractor can prove that he has restored/recouped the Damage caused by him and has installed a suitable corruption prevention system, the Principal may revoke the exclusion prematurely.
4. A transgression is considered to have occurred if in light of available evidence no reasonable doubt is possible.

#### **Section 4 - Compensation for Damages**

1. If the Principal has disqualified the Bidder from the tender process prior to the award according to Section 3, the Principal is entitled to demand and recover from the Bidder liquidated damages equivalent to 3 % of the value of the offer or the amount equivalent to Earnest Money Deposit/Bid Security, whichever is higher.
2. If the Principal has terminated the contract according to Section 3, or if the Principal is entitled to terminate the contract according to section 3, the Principal shall be entitled to demand and recover from the Contractor liquidated damages equivalent to 5% of the contract value or the amount equivalent to Security Deposit/Performance Bank Guarantee, whichever is higher.
3. The bidder agrees and undertakes to pay the said amounts without protest or demur subject only to condition that if the Bidder/Contractor can prove and establish that the

exclusion of the Bidder from the tender process or the termination of the contract after the contract award has caused no damage or less damage than the amount or the liquidated damages, the Bidder/Contractor shall compensate the Principal only to the extent of the damage in the amount proved.

#### **Section 5 - Previous transgression**

1. The Bidder declares that no previous transgression occurred in the last 3 years with any other Company in any country conforming to the TI approach or with any other Public Sector Enterprise in India that could justify his exclusion from the tender process.
2. If the Bidder makes incorrect statement on this subject, he can be disqualified from the tender process or the contract, if already awarded, can be terminated for such reason.

#### **Section 6 - Equal treatment of all Bidders/Contractor/Subcontractors**

1. The Bidder/Contractor undertakes to demand from all subcontractors a commitment in conformity with this Integrity Pact, and to submit it to the Principal before contract signing.
2. The Principal will enter into agreements with identical conditions as this one with all Bidders, Contractors and Subcontractors.
3. The Principal will disqualify from the tender process all bidders who do not sign this Pact or violate its provisions.

#### **Section 7 - Criminal charges against violating Bidders/Contractors/ Subcontractors**

If the Principal obtains knowledge of conduct of a Bidder, Contractor or Subcontractor, or of an employee or a representative or an associate of a Bidder, Contractor or Subcontractor, which constitutes corruption, or if the Principal has substantive suspicion in this regard, the Principal will inform the Vigilance Office.

#### **Section 8 - External Independent Monitor/Monitors**

**(three in number depending on the size of the contract)**

**(to be decided by the Chairperson of the Principal)**

1. The Principal appoints competent and credible external independent Monitor for this Pact. The task of the Monitor is to review independently and objectively, whether and to what extent the parties comply with the obligations under this agreement.
2. The Monitor is not subject to instructions by the representatives of the parties and performs his functions neutrally and independently. He reports to the Chairperson of the Board of the Principal.

3. The Contractor accepts that the Monitor has the right to access without restriction to all Project documentation of the Principal including that provided by the Contractor. The Contractor will also grant the Monitor, upon his request and demonstration of a valid interest, unrestricted and unconditional access to his project documentation. The same is applicable to Subcontractors. The Monitor is under contractual obligation to treat the information and documents of the Bidder/Contractor/Subcontractor with confidentiality.
4. The Principal will provide to the Monitor sufficient information about all meetings among the parties related to the Project provided such meetings could have an impact on the contractual relations between the Principal and the Contractor. The parties offer to the Monitor the option to participate in such meetings.
5. As soon as the Monitor notices, or believes to notice, a violation of this agreement, he will so inform the Management of the Principal and request the Management to discontinue or heal the violation, or to take other relevant action. The monitor can in this regard submit non-binding recommendations. Beyond this, the Monitor has no right to demand from the parties that they act in a specific manner, refrain from action or tolerate action.
6. The Monitor will submit a written report to the Chairperson of the Board of the Principal within 8 to 10 weeks from the date of reference or intimation to him by the 'Principal' and, should the occasion arise, submit proposals for correcting problematic situations.
7. If the Monitor has reported to the Chairperson of the Board a substantiated suspicion of an offence under relevant Anti-Corruption Laws of India, and the Chairperson has not, within reasonable time, taken visible action to proceed against such offence or reported it to the Vigilance Office, the Monitor may also transmit this information directly to the Central Vigilance Commissioner, Government of India.
8. The word 'Monitor' would include both singular and plural.

### **Section 9 - Pact Duration**

This Pact begins when both parties have legally signed it. It expires for the Contractor 12 months after the last payment under the respective contract, and for all other Bidders 6 months after the contract has been awarded.

If any claim is made/ lodged during this time, the same shall be binding and continue to be valid despite the lapse of this pact as specified above, unless it is discharged/determined by Chairperson of the Principal.

**Section 10 - Other provisions**

1. This agreement is subject to Indian Law. Place of performance and jurisdiction is the Registered Office of the Principal, i.e. New Delhi.
2. Changes and supplements as well as termination notices need to be made in writing. Side agreements have not been made.
3. If the Contractor is a partnership or a consortium, this agreement must be, signed by all partners or consortium members.
4. Should one or several provisions of this agreement turn out to be invalid, the remainder of this agreement remains valid. In this case, the parties will strive to come to an agreement to their original intentions.
