

CORRIGENDUM OF LOTTERY NOTIFICATION
published vide CONT/DGM(C)/C/1057/2016-17 dated 15-02-2017
against Tender Nos. DCC2182L17, DCC2183L17 & DCC2184L17

The date of Draw of Lots (DOL) for the above mentioned tenders has been deferred to 28-02-2017.

The DOL will be conducted for zone D only. Against zones B & C, the excess numbers of bidders have already shifted to other zones where vacancies are available. Hence, DOL will not be held for these two zones.

Some bidders of zone D have also been shifting to other zones. If due to such shifting of bidders (upto the revised time of DOL), the number of bidders of zone D becomes equal to the Company's requirement (as per NIT), then DOL will not be held for zone D also.

Revised Date of D.O.L : 28-02-2017

Time of D.O.L : 9:00 a.m. (IST)

Date: 18.02.2017
