CORRIGENDUM DATED 19.07.2019 to TENDER No. CDC1928P20

This Corrigendum is issued to all concerned bidders of Tender No. CDC1928P20 to notify the following:

1. Descriptions of few similar items have been revised and incorporated accordingly in SOQ and Price Bidding Format of the tender. Therefore, a revised Price Bidding Format has been uploaded under "Notes and Attachments" tab in OIL's E-Tender Portal replacing the earlier Price Bidding Format. Bidders are requested to quote their price as per the Revised Price Bidding Format only against the aforesaid tender.
2. Bidders must note that the revised items have been highlighted in the 'Revised Price Bidding Format'. Bidders shall have to quote the rate against one such item only and the designated places for quoting the rates against the corresponding similar items shall automatically get filled up in the Revised Price Bidding Format.
3. Any bidder who has already submitted response in the former 'Price Bidding Format' against the tender is requested to withdraw their Price Bid and quote their price as per the Revised Price Bidding Format on or before Bid Closing date and time. If any Bidder is found to have uploaded the former Price Bidding Format and quoted different rates against the same item, the lowest quoted rate of all shall be considered and incorporated against all such similar items and comparison of prices shall be done accordingly.
