

OIL INDIA LIMITED
RAJASTHAN FIELD
JODHPUR

AMENDMENT No. 1 Dated 06.07.2022
To TENDER No. CJI0491L23

This Amendment to Tender No. CJI0491L23 is issued to notify the following:

S. No.	Section/Page number	Existing clause	Amended clause/deleted/newly added
1.	Subject	Hiring of services for Environmental Impact Assessment (EIA) studies for the locations Jamba & Nagrasar in Rajasthan field of oil for a limited period of 1 (one) year	Hiring of services for propagation of Baseline data reports and preparation of Environment Management Plan for obtaining EC under B-2 category for the locations Jamba & Nagrasar in Rajasthan field of oil for a limited period of 1 (one) year.
2.	INVITATION FOR BIDS Clause 2.0	Description of Services: Hiring of services for Environmental Impact Assessment (EIA) studies for the locations Jamba & Nagrasar in Rajasthan field of oil for a limited period of 1 (one) year.	Hiring of services for propagation of Baseline data reports and preparation of Environment Management Plan for obtaining EC under B-2 category for the locations Jamba & Nagrasar in Rajasthan field of oil for a limited period of 1 (one) year.
3.	SECTION – III A. Special conditions of Contract (SCC) Clause 1.0	The Bidder shall have to carry out the job in two OALP-V blocks Viz. RJONHP-2019/2 (Jamba) & RJ-ONHP-2019/3 (Nagrasar) and accordingly EC should be obtained for both the blocks for drilling and production activities.	The Bidder shall have to carry out the job in two OALP-V blocks Viz. RJONHP-2019/2 (Jamba) & RJ-ONHP-2019/3 (Nagrasar) and accordingly EC should be obtained for both the blocks for drilling and Early Production Setup (EPSs)
4.	SECTION – III B. SCOPE OF WORK(SOW) Clause 1.0 INTRODUCTION	Oil India Limited (OIL) a Govt. of India Enterprise under MoP&NG and a Navratna company started exploration for hydrocarbon in the midst of Great Thar Desert in early eighties. Recently OIL received two blocks under OALP round V for exploration viz. RJ-ONHP-2019/2 and RJ-ONHP-2019/3. The area under the OALP Block RJ-ONHP-2019/2 has scanty vegetation & inhabitation wherein the climate is arid to semi-arid with highly variation in temperature. Drilling and Production activities are to be carried out in this block covering 1520.08 sq. km. area in Bikaner and Jodhpur district of the state of Rajasthan. Similarly, drilling and production activities will be carried out in the OALP Block RJ-ONHP-2019/3 covering an area of 1819.48 sq. km. area in Bikaner and Jaisalmer District of the state of Rajasthan.
