CORRIGENDUM – 2 FOR OIL’S TENDER NO. CGI1629P23 DATED: 23-09-2022

In response to the Tender No. CGI1629P23 DATED: 23-09-2022 published by OIL for *HIRING OF CONSULTANCY SERVICES FOR PROJECT MANAGEMENT (PMC) FOR 5 NOS. OF MICROTUNNELLING WORK AND INSTALLATION OF HYDROCARBON PIPELINES INSIDE THE TUNNEL ALONG OIL’S ROW/ROU IN THE STATE OF ASSAM AND WEST BENGAL*, several queries have been received from various agencies.

The queries were discussed in detail during the pre-bid meeting, held at OIL’s corporate office, Noida on 17th October 2022.

Corrigendum-2 document contains Pre-Bid Queries (Set-2) raised and the response of OIL

The prospective bidders are requested to please note the queries and responses before submitting their bids.

Sl. No.	Reference Document	Clause No.	Article No.	Page No.	Bidder's Clarification	Client's Response
1	Tender NO. : CGI1629P23 Part -3 Section-II	2.	C	106 of 171	Bidder request owner to clarify whether the EIA report is to be prepared for EC by bidder or owner shall engage third party for carrying out EIA.	EIA if deemed required will be carried out by owner however any specific data/information as required for EIA study relevant to the project will be sought from PMC.
2	Tender NO. : CGI1629P23 Part -3 Section-II	6.	6.2	109 of 171	Typically HAZOP is carried out after completion of detailed engineering so, bidder understand that same shall be carried out by EPC contractor where PMC & Owner representative shall participate. Kindly confirm bidder understanding.	Bidder understanding is correct and the same shall be carried out by EPC contractor. Scope of HAZOP accordingly to be incorporated in EPC tender document.
3	Tender NO. : CGI1629P23 Part -3 Section-II	6.	6.2	110 of 171	Typically safety and environment manual is prepared after completion of detailed engineering / EPC stage. Hence bidder understands that the same shall be prepared by EPC and reviewed by PMC. Kindly confirm bidder understanding.	Bidder understanding is correct and the same shall be carried out by EPC contractor. Applicable Safety and environment related guideline / standard to be incorporated in EPC tender document by PMC.
4	Tender NO. : CGI1629P23 Part -3 Section-II	17.	e	118 of 171	Kindly note that HAZID and HAZOP are two different study and both studies are carried out typically during detailed engineering so, bidder understands that same shall be carried out by EPC contractor where PMC Owner representative shall participate. Kindly confirm bidder understanding.	Confirmed.
5	Chapter 2	2.0	c	-	Bidder understands that environmental impact assessment study, getting environmental clearance or any other clearance from SPCB are not envisaged under bidders scope. Technical Assistance to owner for above Clearances shall be under bidder's scope. Kindly confirm our understanding.	Confirmed.

Sl. No.	Reference Document	Clause No.	Article No.	Page No.	Bidder's Clarification	Client's Response
6	-	54, 55 & 56	-	98 of 171	Kindly clarify the requirement of treatment of the effluent/waste water & its disposal. Bidder understands that the waste oil/burnt lube oil shall be collected in drums by the bidder and disposal to the authorized recyclers shall be taken care by the Client. Kindly confirm our understanding.	The scope to be included under EPC contract.
7	General	-	-	-	Bidder requests owner to please clarify whether DFR is required for this project, it is not very clear in the document as cost status report are mentioned in document. Also kindly specify the accuracy /magnitude of the estimate expected.	DFR is not required. Cost status report is meant for periodic reporting of financial outgo and future trend. Regarding accuracy /magnitude of the estimate expected, please be guided by clause no 7.0 page no 110 of tender document.
8	General	-	-	-	Bidder understands that no native files will be shared. Kindly confirm.	All native files shall be submitted to client.
9	General	-	-	-	Bidder requests owner to clarify the following: a) Project execution philosophy is not very clear. Whether the execution is through EPC tender or Item rate tender? b) You are requested to indicate number of tenders, nature of tender (EPC /prefilled/item rate) required. c) If the execution is through EPC contract then only summary of the cost estimate with top cost heads will be shared . Clause 7.a of SOW cannot be fulfilled. d) Please indicate whether cost estimate is required at two stages like EMD & BCE stages . $\pm 10\%$ accuracy level estimate can be provided only at BCE stage.	a) To be discussed and mutually agreed after finalization of PMC. b) Scope of the project is mentioned clearly in the tender. Strategy of tendering to be finalized by PMC after discussion with Client. Please refer clause no 5(b) of page no 108. c) Agreed. However the same may require sharing in case of Arbitration / dispute / requirement from statutory bodies etc. d) Tender condition prevails.
